Congressman Bishop Opens District Office

Coram, NY -- Congressman Tim Bishop announced today the opening of his district office in Coram, NY, located at 3680 Route 112, Suite C. Congressman Bishop made the announcement at his first press conference since taking office as the Representative from New York's First District.

"My first priority as Congressman is to be an advocate for my constituents and a voice for their issues and concerns," Bishop said at the press conference. "I encourage residents of the First District to use my office as a resource to help them understand issues that affect them and to find solutions to any problems they may experience with a federal agency."

The Congressman was officially sworn in by Speaker of the House Dennis Hastert last Tuesday in a ceremony on the floor of the House of Representatives in Washington, D.C. Following the ceremony, he held a reception in his Washington office for 200 district residents who made the trip to the capital to join him for the historic occasion.

"It is difficult to put into words how honored I am to be entrusted to represent the people of the First Congressional district," Bishop said.
